- B.** Prior to 1982 various municipalities, agencies and entities located within Snohomish County have entered into an Interlocal Agreement in 1973, the first amended Interlocal Agreement in 1976, and various subsequent amendments thereto including the 1982 Interlocal Agreement, all providing for the operation of a support communication center.
- C.** A need has arisen, as recognized by the Board of Directors of the Snohomish County Police staff And Auxiliary Services Center to consolidate, amend, and make more concise all existing agreements that the parties hereto have previously entered into with respect to forming the Snohomish County Police Staff And Auxiliary Services Center, and by agreeing to this 1983 Interlocal Agreement, as amended, the parties hereto adopt this Interlocal Agreement and terminate and supersede all prior Interlocal Agreements.

- D.** It is the continued desire and intent of all parties hereto to enhance both Police and Fire Protection operations as well as Emergency Medical Service operations and other various service operations in Snohomish County, all in a manner that will offer optimum opportunities for public support and confidence, effectiveness of operations, efficiencies and economies of operation, cooperation between jurisdictions, avoidance of unnecessary duplications of expenditures and efforts and for attracting financial assistance from state, federal and private resources, for implementation while yet assuring and enhancing the continuance and effectiveness of local policy and administrative control of police, fire, hospital, emergency medical service and other operations.
